Services and supplies of \$575,548 include general office expenses, professional and specialized services, administration and medical expenses.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$13,400 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Reimbursements of \$431,518 represent payments from other county departments, including Alcohol and Drug Services and Children's Services, to pay for grant activities. The increase of \$168,934 reflects a shift in the reporting of funding for certain program activities from revenue to reimbursement.

Other revenue of \$157,430 reflects grant revenues received directly into this budget unit.

## Grand Jury

### DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Grand Jury is appointed annually by the Superior Court. Their responsibilities include investigating local government, examining instances of public office crime and corruption, and returning indictments in certain criminal cases brought before it by the District Attorney's office. Funding in this budget unit covers members' stipends, office supplies, administrative staff, and other support costs.

Until 1998, there was one staff member associated with this budget unit. When the Superior Court became a separate entity, this Grand Jury Assistant became a Court employee and costs for duties performed by the staff member are now reimbursed to the Court through a transfer accounted for in Agency Administration costs.

There is no staffing associated with this budget unit.

Services and supplies of \$8,983,413 finances contracts for court appointed attorney, investigator and expert services for adult indigent criminal and juvenile delinquency legal representation.

In 2007-08, a competitive request for proposal was sent out for adult indigent defense representation. As a result, new three-year contracts with increased fee schedules will be effective July 1, 2008. A potential exists for costs to increase in 2008-09 due to the new fee schedule and/or the number of cases that are referred to this program. In the event this program experiences an increase in the number of cases that are referred, additional funding may be requested from the Board of Supervisors.

Transfers of \$300,000 represent funds for expert witness fees and investigative costs.

Current services revenue of \$125,000 is included in the 2008-09 budget based on the consistency in receipt of client payments for appointed juvenile delinquency representation for the past several fiscal years.

## Court Facilities/Judicial Benefits

### DESCRIPTION OF MAJOR SERVICES

On January 1, 1998, AB 233, the Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect in the State of California. This bill fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs. Additionally, as of June 30, 2007, three facilities have been transferred to the State pursuant to the Trial Court Facilities Act of 2002, SB 1732. June 30, 2007 is the sunset date for this legislation. However, negotiations between the state and county continue in order to affect the transfer of the remaining court facilities to the state.

This budget unit was established in 1997-98 to appropriate funds to cover expenses related to those facilities not yet transferred (including general custodial and maintenance and property insurance), and local judicial benefits (designated as other charges in the budget).

There is no staffing associated with this budget unit.

Despite the sunset of SB 1732, the state and county continue to negotiate for the transfer of the remaining court facilities to the state over the next few years. As each facility transfers, appropriate adjustments in this budget unit will be included in the items brought to the Board of Supervisors.

Services and supplies of \$342,142 include costs for property insurance. The decrease of \$82,017 is due to the shift in the reporting of grounds and general maintenance as transfers to Facilities Management.

Other charges of \$1,398,700 represent payment of judicial benefits. The 2008-09 budget now includes payments of judicial benefits for 71 judgeships, all appointed prior to January 1, 2008. According to the county's agreement with the Superior Court, new judges authorized and appointed after January 1, 2008 do not receive these benefits. The annual amount per judge is approximately \$19,700.

Transfers of \$134,722 reimburse the Sheriff's department for security services at the Fontana Court, as well as payment to Facilities Management for general custodial and grounds maintenance.

## Court Facilities Payments

### DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, requires the transfer of responsibility for funding and operation of trial court facilities from the counties to the State of California. The County must pay the State the amount that the County historically expended for the operation and maintenance of each court facility. This budget unit was established in 2006-07 to budget and track these payments. There are twenty-seven facilities to be transferred with an estimated timeline of two years to fully complete the transfers.

There is no staffing associated with this budget unit.

## Trial Court Funding – Maintenance of Effort (MOE)

### DESCRIPTION OF MAJOR SERVICES

On January 1, 1998, AB233, the Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect in the State of California. This bill fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs. In addition, it requires counties to make a capped maintenance of effort (MOE) payment to the state each year for operations of the courts. In return, the state allowed the counties to retain many fines and forfeitures to help fund their MOE payments with the provision that collections that exceed the amount of the revenue MOE be shared equally between the state and the county. Of the remaining one half of excess revenue retained by the county, 25% is transferred to the Courthouse Facility special revenue fund to assist with costs of the seismic retrofit/remodel of the central courthouse.

The county's historical MOE contribution of \$28,390,295 was made up of two components. The expenditure component of \$20,227,102 represented the adjusted 1994-95 county expenses for court operations and the revenue component of \$8,163,193 was based on the fine and forfeiture revenue sent to the state in 1994-95. The revenue component has been reduced to \$3,325,704 in 2006-07 due to legislation enacted in recent years. Therefore, the county's current MOE contribution is \$23,552,806.

Other legislation mandated that beginning in 2003-04, all California counties contribute an additional payment to the state toward court funding. The payment was intended to help the state during its budget crisis and was in lieu of the state taking counties' various undesignated revenues, which would be a much higher amount. San Bernardino County's share of the undesignated fee transfer obligation was \$727,264 in 2005-06, \$545,499 in 2006-07 and \$363,632 in 2007-08. 2008-09 is designated as the final year that this fee transfer obligation payment will be made by the counties.

There is no staffing associated with this budget unit.

There is no staffing associated with this budget unit.

## Courthouse Seismic Surcharge

### DESCRIPTION OF MAJOR SERVICES

Funding in this special revenue budget unit comes from a \$35 surcharge on civil filings as authorized by Government Code section 70624. Surcharge revenues are slated to be used for the Central Courthouse seismic retrofit/remodel project.

In June 2007, the county privately placed \$18.4 million of revenue bonds for courthouse improvements. All \$35 civil filing fee surcharge revenues received by the county subsequent to June 29, 2007, and any interest earnings thereon, are pledged to the payment of the bonds. All pledged revenues are remitted monthly to a trustee acting on behalf of the owners of the bonds.

There is no staffing associated with this budget unit.

### BUDGET HISTORY

Prior to 2005-06, this surcharge revenue was accounted for in two separate special revenue funds – one fund for filings involving issues greater than \$25,000 and one fund for filings involving issues less than \$25,000 - because separate legislation authorized each category. The surcharge is now codified in the same Government Code section and this separation is no longer necessary. These revenues are now combined into one budget unit.

### DESCRIPTION OF MAJOR SERVICES

The county presently receives \$8 per civil filing fee which funds contracts for mediation services for small claims and unlawful detainer actions and certain settlement conferences, complex civil cases, and monetary matters in family law cases in the Superior Court. In accordance with the county's annual agreement with Superior Court, the court administers these contracts and pays the contractors directly from this budget.

## Registration Fees

### DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for the \$25 fee assessments that were collected from indigent defendants prior to the implementation of AB 3000. Prior to the passage of AB 3000 in 2002, existing law allowed the Board of Supervisors to determine the order of priority in which disbursements are made from funds provided by payments on criminal fines and fees. AB 3000 required the Board of Supervisors to mandate the following order of priority for disbursement of fines and fee revenue: (a) restitution to the victim; (b) the 10% state surcharge; (c) fines, penalty assessments, and restitution fines, in an amount for each that is proportional to the total amount levied for all of those items; and (d) other reimbursable costs.

Simply put, AB 3000 imposed priorities for the distribution of funds collected. Since the \$25 assessment falls into category (d), registration fees are infrequently collected when a defendant is assigned an attorney.

The fund balance can be distributed at the discretion of the Board of Supervisors pursuant to Penal Code 987.5(e).

There is no staffing associated with this budget unit.

Budgeted Staffing					506.0	537.0	31.0

Salaries and benefits of \$62,309,163 fund 537.0 budgeted positions and are increasing by \$5.6 million. The majority of the increase or \$4.7 million is due to a technical change in the way four District Attorney's other budget units are budgeted. The District Attorney's Office is transferring 35.0 positions from the following budget units: Real Estate Fraud (11.0 positions at \$1.4 million), Auto Insurance Fraud (5.0 positions at \$0.7 million), Workers' Compensation Insurance Fraud (13.0 positions at \$1.8 million) and Child Abduction (6.0 positions at \$0.8 million) into the District Attorney's Criminal Prosecution budget unit with corresponding operating transfers in from those budget units. Salaries and benefits are also increasing a net \$0.3 million for MOU, retirement increases and a reduction in workers' compensation costs. Additionally, there are increases of \$0.6 million for attorney cash outs and increased costs for step increases for general and attorney employees.

Budgeted staffing adjustments are as follows:

- Increase 35.0 positions due to the transfer of positions from other budget units.
- Decrease 3.0 positions for loss of grant programs (Street Enforcement and Marijuana Suppression).
- Decrease 1.0 Office Assistant III to reflect a technical correction for a prior year dual fill.

The department originally included 5.0 positions to staff criminal courtrooms for 1.5 new judgeships. However, as part of the 2008-09 Budget Hearing the Board of Supervisors directed the removal of new positions and reclassifications included in the departmental budgets receiving general fund financing for 2008-09. Based on this action, appropriation and general fund financing reflects the reduction of \$708,302 and 5.0 in budgeted staffing.

Services and supplies of \$4,301,318 include increases for risk management liabilities, start up costs associated with staffing of 1.5 new judgeships, and the transfer of services and supplies costs from the following budget units: Real Estate Fraud, Auto Insurance Fraud, Workers' Compensation Fraud and Child Abduction. These costs are primarily offset by shifts of Cal-Card costs moved to transfers and the shift of travel costs to a new appropriation unit.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$333,316 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Transfers of \$1,124,202 primarily represent rents paid to Real Estate Services. Increased costs reflect transfer of special revenue rents into the main Criminal budget and full year funding of the new Victorville lease facility. Also, the increase in transfers includes the technical change that mandates that the appropriation for Cal-Card (procurement cards) goods be reflected in this category.

Reimbursements of \$2,172,710 represent payments from other departments for welfare fraud prosecution, truancy prosecution, and CAL-mmet prosecution. The decrease of \$1,111,063 represents the loss reimbursement for Street Enforcement and Marijuana Suppression grant programs.

Operating transfers out of \$150,000 represents funding to County Fire for a Haz Mat Specialist II to be available to the Specialized Prosecution group.

Taxes (Prop 172) of \$27.0 million represent a decrease of \$2.3 million based on current downward trends in sales tax receipts.

State, federal and government aid revenue of \$5.8 million is increased by \$0.6 million for additional SB90 revenue for Child Abduction budget unit (\$0.8 million), offset by a reduction in Indian gaming revenue now budgeted as other revenue in the amount of \$180,000.

Other revenue of \$255,345 is increasing by \$60,000 to reflect bad check restitution program revenue now recognized in this budget unit from the Specialized Prosecution budget unit and \$180,000 for revenue received the San Manual Tribe for Indian Gaming impacts.

Operating transfers in of \$7,157,849 are increasing by \$5,854,299 primarily for the technical change in recognizing revenue from the Real Estate Fraud, Auto Insurance Fraud, and Workers' Compensation Insurance Fraud special revenue funds and increases from the Specialized Prosecution budget unit that reflects full year funding for a Haz Mat Specialist II for County Fire.

## Child Abduction and Recovery

### DESCRIPTION OF MAJOR SERVICES

The Child Abduction and Recovery Program is currently required by Chapter 1399, Statutes, of 1976, Custody of Minors. Under this statute, the District Attorney (DA) Child Abduction Unit is mandated to take all actions necessary to locate and return parentally abducted children to a safe environment. This program then oversees the prosecution of those who have criminally abducted children. The program requires DA investigators to travel nationwide and to other countries to recover and return children to the custody of the adult ordered by the court.

Budgeted Staffing				6.0	

Actual appropriation for 2007-08 of \$877,986 is slightly over budget by \$1,437. The overage was a result of overtime utilized by District Attorney staff working child abduction cases. When a child has been located, investigators need to travel to recover that child, which may occur after normal work hours or during weekends. Actual departmental revenue for 2007-08 is less than modified budget due to the technical change in the claiming methodology for SB 90 programs.

This change will provide the department the flexibility to plan for events that will have adverse impacts to the program and staff.

## Real Estate Fraud Prosecution

### DESCRIPTION OF MAJOR SERVICES

On January 23, 1996, the Board of Supervisors adopted Resolution 96-14 to allow the county to collect, pursuant to Government Code Section 27388, a \$2 fee upon recording documents. These monies, in accordance with state law, are used to fund the Real Estate Fraud unit that investigates and prosecutes real estate fraud crimes in the county. This budget unit funds five investigators, one supervising investigator, two Deputy District Attorneys, one investigative technician, one office assistant and one secretary.

In this county the district attorney, not only prosecutes, but investigates all real estate fraud cases. The workload has steadily increased in the last several years and additional staffing has been added to meet the demand.

There will be no staffing associated with this budget unit in 2008-09. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

Actual department revenue for 2007-08 is less than modified budget due to the housing market/sub-prime mortgage fall out.

## Auto Insurance Fraud Prosecution

### DESCRIPTION OF MAJOR SERVICES

Insurance fraud is a particular problem for automobile policyholders. It is one of the biggest and fastest growing segments of insurance fraud and contributes substantially to the high cost of automobile insurance with particular significance in urban areas. Prevention of automobile insurance fraud can significantly reduce insurance claim payments and may therefore produce a commensurate reduction in automobile insurance premiums. This budget unit funds three investigators, two Deputy District Attorneys and one secretary.

Under the direction of the Insurance Commissioner, the California Department of Insurance makes funds available, as authorized by Section 18971 of the California Insurance Code, to the District Attorney's Office for investigation and prosecution of automobile insurance fraud. This budget unit administers those funds.

There will be no staffing associated with this budget unit in 2008-09. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

This technical change will give the department greater flexibility in making staff reductions in the event of declining revenue (reassignment, absorb through attrition, etc.).

Operating transfers out of \$783,206 is to cover costs in the District Attorney's Criminal Prosecution budget unit for staffing costs. This amount, compared to the salaries and benefits costs in 2007-08 is decreasing primarily attributable to the elimination of 1.0 District Attorney Investigator position.

Contingencies are reduced by \$2,580 to \$561 and represent funds not planned for expenditure in 2008-09.

Departmental revenue is slightly increasing to \$789,000 due to anticipated level funding from the Department of Insurance. The department will closely monitor the cost and revenues of this budget unit and will make appropriate revisions to ensure that this budget operates within its established budget.

## Workers' Compensation Insurance Fraud Prosecution

### DESCRIPTION OF MAJOR SERVICES

The Department of Insurance, pursuant to Section 1871.83 of the California Insurance Code, distributes funds to the District Attorney's Office for the investigation and prosecution of Workers' Compensation Insurance Fraud. These assessed funds represent a percentage of the total premiums collected by workers' compensation insurance companies and are distributed to investigate and prosecute workers' compensation fraud claims or claims relating to the willful failure to secure the payment of workers' compensation. Of all money collect by the state, 56% is retained by the state for fraud investigation and 44% is distributed statewide to District Attorney offices through a grant program. This budget unit administers those funds. Staff funded by this budget unit is six investigators, one supervising investigator, four Deputy District Attorneys, one office assistant and one secretary.

There will be no staffing associated with this budget unit 2008-09. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

Operating transfers out of \$1,508,000 to the District Attorney's Criminal Prosecution budget unit are increasing by \$912,450 to represent full year funding of specialized prosecution staff (\$432,450), to make one-time purchases for furniture and remodeling (\$330,000) and to fund one Hazardous Materials Specialist II for San Bernardino County Fire (\$150,000).

Departmental revenue of \$855,000 is increased based on estimated cases that will settle in 2008-09 and no significant change is expected.

## State Asset Forfeitures

### DESCRIPTION OF MAJOR SERVICES

The goal of asset forfeiture is to remove the profits from those who benefit from illegal activities. While seizures and arrests present a temporary setback for criminals, asset forfeiture is effective in permanently removing the proceeds from them while diminishing their ability to continue the illegal enterprise. The law permits law enforcement agencies to use the proceeds of forfeiture to purchase safe, more effective equipment that they otherwise could not afford. Thus, law enforcement is able to convert criminal profits into supplemental funding to inhibit illegal activities. This budget unit receives asset forfeiture funds and is used to offset the cost of staff processing asset forfeiture cases. This budget unit finances three Deputy District Attorneys, one office assistant, one paralegal and one accountant.

The District Attorney's Asset Forfeiture program deters crime by depriving criminals of the profits and proceeds of their illegal activities. State asset forfeitures finance staff that process asset forfeitures generated by activities of the Sheriff's Department and police agencies in the county.

There is no staffing associated with this budget unit in 2008-09. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

The department is monitoring the costs associated with performing this public safety function and the revenue it generates. If revenues continue to decline, the department will implement a plan to reduce budgeted staffing supported by these funds within the District Attorney's Criminal Prosecution budget unit.

Departmental revenue of \$300,000 is decreased by \$100,000 based on reduced revenue estimates for 2008-09.

## Federal Asset Forfeitures

### DESCRIPTION OF MAJOR SERVICES

In 1984, Congress enacted the Comprehensive Crime Control Act, which gave federal prosecutors new forfeiture provisions to combat crime. Also created by this legislation was the Department of Justice Assets Forfeiture Fund (AFF). The proceeds from the sale of forfeited assets such as real property, vehicles, businesses, financial instruments, vessels, aircraft and jewelry are deposited into the AFF and are subsequently used to further law enforcement initiatives.

Under the Equitable Sharing Program, the proceeds from sales are often shared with the state and local enforcement agencies that participated in the investigation, which led to the seizure of the assets. This important program enhances law enforcement cooperation between state/local agencies and federal agencies. This budget unit represents federal asset forfeitures processed by the District Attorney's asset forfeiture unit. The U.S. Department of Justice sets forth the terms by which law enforcement may use these funds.

A portion of these funds will be transferred to the District Attorney's Criminal budget unit for the asset forfeiture unit's operating expenses and safety equipment according to the terms set forth by the U.S. Department of Justice.

There is no staffing associated with this budget unit. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

The use of contingencies was approved by the Board of Supervisors on January 8, 2008 (#56).

Actual departmental revenue for 2007-08 is greater than modified budget based on increased receipt of forfeiture funds in this budget unit.

Contingencies of \$11,436 are reduced and represent funds not planned for expenditure in 2008-09.

## Vehicle Fees – Auto Theft

### DESCRIPTION OF MAJOR SERVICES

In May of 1995, the San Bernardino County Board of Supervisors adopted a resolution, pursuant to Vehicle Code 9250.14 to impose a \$1.00 fee on each San Bernardino County new and renewal vehicle registration to be used to enhance the capacity of local police and prosecutors to deter, investigate and prosecute vehicle theft crimes. This budget unit represents the District Attorney's share of the \$1.00 registration assessment on vehicles registered in San Bernardino County and finances prosecutors and an investigator assigned to automobile theft crimes countywide.

There is no staffing associated with this budget unit. Staff that provide these services are budgeted in the District Attorney's Criminal Prosecution budget unit.

Actual departmental revenue for 2007-08 is slightly higher than modified budget due to an increase in the shared \$1 received by the county from the vehicle registration assessment.

Operating transfers out of \$884,708 represent costs for prosecutors and an investigator assigned to automobile theft crimes. The overall net decrease between transfers and operating transfers out of \$215,672 over 2007-08 primarily represents a reduction in costs associated with 1.0 Deputy District Attorney claimed against this revenue. The department will continue to monitor expenses associated with this function and if necessary, other staffing reductions will be made.

Contingencies of \$9,638 is slightly decreased and represents funds not planned for expenditure in 2008-09.

Departmental revenue of \$833,500 is unchanged as current receipts are at expected levels and no significant change is expected. This revenue has not increased over the last several years therefore revenue budgeted for 2008-09 remains the same.

Salaries and benefits of \$156,183 fund 1.0 budgeted position and are decreasing by \$703 primarily due to decreased workers compensation and long and short-term disability rate adjustments.

Services and supplies of \$73,852 include costs associated with the "pass-through" of the Juvenile Accountability Block Grant (JABG) program to the Superior Court to fund a portion of the salaries associated with a judicial hearing officer and legal processing clerk. The decrease of \$3,682 is primarily due to the separation of travel expenses from this appropriation unit.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$2,693 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Departmental revenue of \$78,503 primarily represents funding from the Juvenile Accountability Block Grant program which is a collaborative project between the Superior Court, County Schools, and the Law and Justice Group. The grant provides partial funding for a judicial hearing officer and a legal processing clerk. These two positions are needed to adjudicate an increasing number of juvenile citations emanating from the schools and the Sheriff's CleanSweep program.

Budgeted Staffing					1,233.4	1,221.3	(12.1)

Salaries and benefits of \$97,402,006 fund 1,221.3 budgeted positions and is decreasing by \$1,627,122 primarily due to a reduction of \$1,564,034 in costs to maintain services including retirement rates and workers compensation adjustments and a reduction of \$3,980,684 as a result of the deletion of 50.0 budgeted positions due to a lack of funding for three Probation's institutional/treatment programs, including the BRIDGES alternative to detention program (BRIDGES) and the Regional Youth Educational Facilities (RYEF) Boys and Girls programs. However, these decreases are partially offset by an increase of \$4,351,530 primarily due to staffing increases of 33.0 budgeted positions as a result of the state funded Juvenile Justice Realignment program. In addition, the department originally budgeted to expand to full year funding projected Superior Court Judgeship staffing (5.0 positions), and has increased overtime positions by 1.5 budgeted staff. Finally, this budget unit has experienced an increase in budgeted staffing of 3.4 as a result of a technical change to the rounding of position

numbers to one decimal place in the county's budget system. This change does not affect the number of authorized positions.

The department originally budgeted the reclassification of a vacant Office Assistant IV to a Supervising Office Specialist in order to oversee and standardize office procedures and policies throughout the Probation Department. This position was to provide overall supervision of clerical staff. The department also originally budgeted the reclassification of two filled Office Assistant III positions to Payroll Specialist positions to allow complete coverage of payroll functions at all locations within the department. Finally, the department originally budgeted the reclassification of a Personnel Technician to an Administrative Supervisor to reflect the added responsibility for personnel information in the budget preparation process. This was also included in order to combine the payroll and personnel sections of the department, thus providing one point of service for these disciplines within one section.

At the 2008-09 Budget Hearing, the Board of Supervisors directed the removal of new positions and reclassifications included in the departmental budgets receiving general fund financing for 2008-09. Based on this action, appropriation reflects the reduction of \$433,934 and 5.0 in budgeted staffing. Associated revenue/general fund financing were also decreased by \$433,934.

Services and supplies of \$13,057,122 are comprised of operational costs. The decrease of \$612,276 reflects decreases of \$301,426 primarily in clothing, food, kitchen and dining, and general household expenses due to the closure of BRIDGES and RYEF-Boys & Girls. Reductions in Title IV-E and JPCF Ranch/Camp revenue have resulted in decreases of \$155,468 primarily in 800 MHz radio equipment and radio charges. The department is decreasing general office supplies, general equipment maintenance and vehicle charges to cover necessary increases in staff costs of \$359,383. Additionally, decreases are a result of a shift of \$644,620 to the new travel appropriation unit, and a shift of Purchasing Department charges in the amount of \$509,970 that are moved from this expense series to interdepartmental transfers. These decreases are partially offset by increases in risk management liabilities costs of \$304,800, ongoing costs of \$26,816 for projected Superior Court judgeships staffing, and an increase of \$1,026,975 primarily due to law enforcement liability costs, malpractice insurance costs, non inventoriable equipment expenses, and medical expenses as a result of increased revenue from State Juvenile Justice Realignment funding.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$644,620 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in services and supplies.

Other charges of \$570,325 reflect an increase of \$28,325 in costs to the Independent Living Skills program, reimbursed through the county's Human Services (HS).

Transfers of \$4,729,571 reflect an increase of \$1,431,805 primarily due to Juvenile Justice Realignment program costs of \$1,100,933 transferred to the Department of Behavioral Health and Workforce Development. In addition there are increased costs of \$55,575 to Human Resources (to reimburse a Human Resource Officer and for advertising) and Facilities Management (building maintenance). A shift in Purchasing Department charges to this expense series from the services and supplies expense series also resulted in an increase of \$509,970. These increases are offset by reductions of \$26,899 for Employee Health And Productivity charges, \$95,753 to Sheriff as a result of food costs being returned to the departments services and supplies expense series, \$49,236 in Human Services administrative services no longer utilized, and \$62,785 for Behavioral Health's ten percent cost cut in State Mentally Ill Offender Crime Reduction (MIOCR) grant funding.

Reimbursements of \$3,618,963 reflect a decrease of \$620,446 due to state funding cuts to the Proposition 36 (\$734,014), MIOCR-Adult (\$42,833) and Independent Living Skills (\$60,000) programs. These decreases are partially offset by increases to the Transitional Assistance Department/Foster Care Memorandum of Understanding (\$9,090), the Offender Treatment Program (\$98,194), and the Juvenile Justice Crime Prevention Act of 2000 reimbursement for the cost of a supervising probation officer to oversee probation officers performing school duties (\$109,117).

Departmental revenue of \$49,243,806 reflects a net decrease of \$112,153. Proposition 172 sales tax revenue has been affected by the economic downturn and is expected to decrease by \$1,625,000. In addition, federal revenues are decreased \$2,682,491 primarily due to a reduction in Federal Title IV-E funding. This funding issue has forced the closing of the BRIDGES program and the RYEF-Boys and Girls programs, which has resulted in additional losses in ranch/camp funding, meal claims and institutional fees. Although the department anticipates reduction in state funds to Juvenile Placement & Camp Funding and PROP 69 revenue for DNA testing due to budget cuts, the department still expects a net increase in state aid of \$4,419,781 primarily due to the inclusion of \$5,200,000 in state Juvenile Justice Realignment program funds. The department also anticipates increases in Mentally Ill Offender Crime Reduction Juvenile grant funds, Office of Transportation Safety Drunk Driving grant funds, and a Chlamydia Screening Project (ClaSP) award reimbursement for nurse time spent on Chlamydia testing. Current services show a net decrease of \$220,993 due to decreased diversion, substance abuse, and institutional service fee revenues. Other revenue also reflects a decrease of \$3,450.

## Court-Ordered Placements

### DESCRIPTION OF MAJOR SERVICES

Juveniles are committed to the California Youth Authority or group homes to facilitate their rehabilitation, in an attempt to offer intervention programs that will lead to their future safety and productivity. The county is required to pay costs of support for those minors not eligible for state or federal reimbursement programs. Appropriation is managed in an independent budget to identify expenditures and separate ongoing operational costs.

There is no staffing associated with this budget unit.

Actual appropriation for 2007-08 is less than modified budget because the department continues to utilize alternatives that reduce court-ordered placements through a variety of programs that offer better service for our clients, and are innovative, efficient, and cost effective.

Departmental revenue for 2007-08 is greater than anticipated due to reimbursement received from a client who was no longer a minor.

Other charges of \$3,122,330 finances commitments of minors to the California Youth Authority and foster care placements. In concert with the adoption of Senate Bill (SB) 81, related to State Juvenile Justice Realignment funding, the department transferred appropriation in the amount of \$186,000 to Probation's Administrative, Corrections and Detention budget unit. This adjustment was contemplated when the state adopted the legislation to provide a framework for the shift of responsibility to counties for certain offenders committed for non-violent offenses, based on prior delinquent history. Further savings in the Court-Ordered Placements budget unit are a direct result of this legislative change. Therefore, the permanent transfer of appropriation between budget units is warranted.

## Juvenile Justice Grant Program

### DESCRIPTION OF MAJOR SERVICES

The Juvenile Justice Crime Prevention Act allocates state resources annually to fund programs that address juvenile crime prevention and focus on public safety. The Juvenile Justice Coordinating Council, mandated to oversee local programming, consists of a variety of county and community leaders that develop and recommend the Comprehensive Multi-Agency Juvenile Justice Plan. This Plan identifies and addresses the public safety gaps in services for juvenile offenders and their families throughout San Bernardino County.

Current programs include Day Reporting Centers, House Arrest Program and School Probation Officers and a variety of others, each designed to effectively meet the diverse needs of youth. The SUCCESS Program was eliminated due to State Budget constraints.

				Fund Balance	1,611,544	1,676,272	64,728
				Budgeted Staffing	55.0	43.5	(11.5)

Salaries and benefits of \$3,790,429 fund 43.5 budgeted positions representing a decrease of \$1,078,197 primarily due to the elimination of the SUCCESS Program as a result of state budget constraints. The department will be deleting 12.0 budgeted staffing (8.0 Probation Officers, 2.0 Office Assistants, and 2.0 Supervising Probation Officers), 11.0 of which will be transferring to Probation's Administrative, Corrections and Detention budget unit and will be funded primarily through State Juvenile Justice Realignment Program funds. The remaining 1.0 vacant Probation Officer position will be deleted from this budget unit. These deletions are partially offset by an increase in overtime by 0.5 budgeted staffing.

Services and supplies of \$1,203,500 is comprised of operational costs associated with existing programs and includes risk management liabilities, fleet costs, and professional service costs associated with various Juvenile Justice Grant programs. The increase of \$376,311 is mainly a result of an increase in professional service costs for Day Reporting Centers as well as tutoring and counseling services for juvenile offenders and their families.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$44,408 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses and previously budgeted in the services and supplies appropriation unit.

Transfers of \$1,170,992 include reimbursements to other county departments, including District Attorney's Let's End Truancy Program and Human Services, for their role in administering some of the programs under this grant, as well as rent payments and Human Resources costs. The increase of \$134,161 is primarily due to this budget unit's payment for 1.0 School Probation Officer in Probation's Administrative, Corrections and Detention budget unit.

Contingencies of \$1,632,077 primarily reflect the first quarter of state allocation for 2009-10, plus estimated interest.

Departmental revenue of \$6,218,472 reflects a decrease of \$564,878 due to the projected ten percent decrease of State allocated funding (\$638,253), which also results in a decrease in estimated interest earnings. This amount is partially offset by an increase of \$73,375 for reimbursement by various school districts for School Probation Officers.

Actual appropriation for 2007-08 is less than modified budget due to vacancies in several attorney positions at the beginning of the fiscal year. However, once the California State Bar Exam results were announced, the department was able to quickly fill the positions and is virtually fully staffed. Actual departmental revenue for 2007-08 is less than the modified budget due to the timing of SB 90 reimbursements the state implemented this fiscal year as well as less than expected payments for services.

Budgeted Staffing					252.6	246.0	(6.6)

Salaries and benefits of \$29,612,245 fund 246.0 budgeted positions and are decreasing by \$778,556. The department originally budgeted the deletion of 6.6 budgeted positions and the addition of 7.0 budgeted positions.

However, at the 2008-09 Budget Hearing, the Board of Supervisors directed the removal of new positions included in the departmental budgets receiving general fund financing for 2008-09. Based on this action, the final budget reflects the reduction of \$698,979 in appropriation and 7.0 in budgeted staffing. Associated general fund financing was also decreased by \$698,979.

Services and supplies of \$2,962,296 include computer hardware and software expense, professional and specialized services, expert witness fees, vehicle charges, non-inventoriable equipment, and general office expenses. The increase of \$456,216 is due to expected increases in professional services and expert witness fees in anticipation of increased filings by the District Attorney's office and a new case management system funded with Business Process Improvement (BPI) Reserve funds. Equipment rental costs are also expected to increase in order to serve increased staff at new offices in Victorville and Rancho Cucamonga.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$120,114 reflects anticipated travel costs in the areas of private mileage, meals, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Vehicle costs are being reduced by \$165,351. The decrease is the result of the department being able to purchase several cars over the past two fiscal years. The department's fleet is now sufficient to serve investigative needs and no new cars are required in 2008-09.

Transfers of \$843,244 have increased by \$299,958 due to new leased properties in Victorville and Rancho Cucamonga. A new facility is being sought in San Bernardino to replace the current space being occupied.

Revenue of \$1,306,204 has decreased by a net \$93,796. SB 90 revenues collected from the state are expected to increase by a net \$108,165 due to the state approving seven years of retroactive payments for the MDO PC 2966 (Treatment as a Condition of Parole) program. However, the department is projecting a decrease in revenues for legal services. These are fees charged to clients as a result of a court-order. However, collection of these fees has decreased in 2007-08. The department is budgeting fewer fees in 2008-09 as the general economic outlook is not good and, as a result, the ability for clients to pay these fees is diminishing.

Operating transfers in of \$396,000 reflects the Board approved BPI funding for a new case management system.

## DESCRIPTION OF MAJOR SERVICES

The Sheriff acts as chief law enforcement officer, coroner and director of safety and security for the county by providing a full range of services throughout the unincorporated areas as well as to 14 cities that contract for law enforcement protection.

The general law enforcement mission is carried out through the operation of 10 county stations and a centralized headquarters, using basic crime and narcotic investigations, a crime laboratory and identification bureau, central records, communications dispatch, and an aviation division for general patrol and search and rescue activities. The Sheriff also contracts with the courts to provide security in the courtrooms, operates a civil processing division, and manages four major detention facilities – Central Detention Center, Glen Helen Rehabilitation Center, West Valley Detention Center, and Adelanto Detention Center. The department also operates a regional law enforcement training center and emergency driver training facility.

Actual appropriation for 2007-08 is less than modified budget primarily due to savings from vacant contract city positions and savings from fixed assets and vehicle purchases implemented to help ensure a balanced departmental budget. The savings recognized as a result of the vacant contract city positions are offset by a corresponding decrease in revenue for those positions. Total savings were partially offset by additional overtime required to maintain safe security levels at the County's major detention facilities, an increase in fuel and vehicle maintenance costs, and an increase in inmate medical costs primarily due to a higher number of inmates requiring prescription medication and specialty healthcare services.

Actual departmental revenue for 2007-08 is less than modified budget due to decreased Proposition 172 sales tax revenue and credits to contract cities for vacant positions. Although these reductions are partially offset by increased revenue for federal prisoners and state and federal grant revenue, the department required additional general fund financing at year end.

Budgeted Staffing					3,526.2	3,560.7	34.5

Salaries and benefits of \$347,954,207 fund 3,560.7 budgeted positions and are increasing by \$6,209,927 primarily due to mid-year adjustments of \$5,857,440 (53.2 positions), \$10,379,342 in costs to maintain services which include MOU and retirement rate increases and additional funding to provide mandated dental services to inmates. Additionally, the department originally included increases in salaries and benefits of \$1,277,753 primarily for 1.0 Proposition 69 funded Criminalist II, 3.0 contract city Dispatcher IIs, the equivalent of 3.6 budgeted positions for San Manuel contract overtime, 2.0 Public Information Officers, 1.0 Deputy Sheriff, 0.9 to fully fund an Automated Systems Technician, and 0.2 budgeted staffing directed toward additional overtime for an Accountant I. These increases were offset by a decrease of \$8,571,948 in workers compensation costs. In addition, the department has seen a decrease of \$2,495,404 primarily due to a reduction in budgeted staffing of 15.0 Sheriff Trainee positions in anticipation of fewer additional contract city positions, a reduction in Call Back Pay, and savings due to retirement of top step personnel and replacement with officers in the lower steps. Finally, this budget unit has experienced a decrease in budgeted staffing of 8.4 as a result of a technical change to the rounding of position numbers to one decimal place in the county's budget system. This change does not affect the number of authorized positions.

The department originally included the reclassification of an Office Assistant II to Office Specialist to accommodate workload changes in the Specialized Enforcement Division and a Deputy Sheriff to Detective to supervise the Sheriff's Evidence Division.

At the 2008-09 Budget Hearing, the Board of Supervisors directed the removal of new positions and reclassifications included in departmental budgets receiving general fund financing for 2008-09. Based on this action, appropriation reflects a reduction of \$620,256 and 7.0 in budgeted staffing. Associated revenue/general fund financing were also decreased by \$620,256. In addition, the Board approved a policy item increasing the department's salary and benefits by \$383,000 to support the City of San Bernardino Operation Phoenix program.

Services and supplies of \$51,489,354 are comprised of the department's operational costs and reflect a net increase of \$3,781,753. Increases of \$5,359,967 are primarily a result of increases in Risk Management liabilities, contract city cost increases for general office expenses, officer training, and various equipment installed in vehicles, increases in county security costs, and increases in grant-funded expenditures for equipment purchases. In addition, the Board approved \$761,000 in Business Process Improvement (BPI) funding for the department's Records Data Conversion project. These increases are offset by a reduction of \$400,000 necessary to offset a decrease in US Marshal medical inmates. Additionally, decreases are a result of a shift of \$1,278,500 to the new travel appropriation unit, and a shift of Purchasing Department charges in the amount of \$660,714 that are moved from this expense series to interdepartmental transfers. Included in this appropriation is the reallocation of funding for inventoriable equipment and professional services related to the Laboratory Information Management System (LIMS) project.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$1,314,588 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Other charges of \$3,015,841 include medical costs for inmates and the funding of one position at the Los Angeles Regional Gang Intelligence Network which tracks information of identified gang members operating in Los Angeles and the Inland Empire region. Other charges have increased \$865,220 as a result of reimbursements to contract cities for expenditures funded by the Governor's Office of Homeland Security grant and as a result of Board approved policy items to support various county entities through the Operation Phoenix program (\$97,000) and Operation Desert Heat gang programs (\$200,000).

Equipment of \$1,127,240 finances replacement of computer servers and routers, crime lab equipment, and detention security, maintenance and kitchen equipment. The decrease of \$71,431 is due to a reduction of grant-funded fixed asset purchases.

Vehicles of \$5,417,083 is budgeted to purchase marked patrol units, 4-wheel drive patrol vehicles for mountain and desert stations, replacement marked units and patrol motorcycles for contract cities, and undercover vehicles. The decrease of \$455,917 is due to the removal of one-time funding of \$500,000 for a prisoner bus as well as the removal of \$105,000 to purchase seven (7) unmarked vehicles for the newly funded Crime Impact team. Additionally, decreases are a result of the removal of a one-time transfer of funds from the special revenue fund State Seized Assets in the amount of \$750,000 for the purchase of additional unmarked units and a net reduction of \$58,874 in grant-funded vehicle purchases. These reductions are offset by an increase of \$447,957 for additional vehicles for contract cities as well as the Board approved policy item in the amount of \$510,000 for the replacement of a prisoner bus.

The capitalized software budget of \$1,000,000 reflects the reallocation of BPI funding for the unfinished LIMS project from the prior year, as discussed above.

Transfers increased by \$270,379 for a total of \$4,822,094. Transfers reflect charges paid to Human Resources for various employee related programs, grant-funded transfers to other county departments for salaries, services and supplies and equipment purchases, and transfers to Real Estate Services for costs associated with building rentals. The net increase in transfers is a result of a shift in Purchasing Department office expense charges to this expense series from the services and supplies appropriation unit.

Reimbursements of \$5,592,623 decreased by \$961,750 due to a reduction in reimbursements from the Sheriff-Coroner's special revenue funds in the amount of \$621,930 for academy personnel salaries, a decrease of \$473,097 due to vacancies in Cal-ID personnel, and decreases of \$96,425 from the Probation Department for food delivered to the Juvenile Hall. Decreases are offset by an increase of \$97,327 representing reimbursement for county security charges from the Courts and an increase of \$132,375 for SANCATT task force personnel salaries.

Operating transfers out of \$65,000 reflect a transfer to the County's Code Enforcement Division for assistance with the Operation Phoenix program as referenced above.

Total revenue of \$264,548,921 reflects a net increase of \$80,500 and primarily consist of \$107,050,000 in Proposition 172 sales tax revenue, and \$130,647,822 in current services, primarily from law enforcement contracts. In addition, the department anticipates \$21,045,662 in state, federal and other governmental aid consisting of: \$8,020,722 in state revenues which includes \$4,142,652 from state grants; federal grants of \$2,880,940; and \$10,144,000 in revenue from the US Marshal Service for housing federal prisoners. Other revenue of \$5,490,437 includes \$3,625,864 in reimbursements from the Inmate Welfare Fund for additional healthcare, inmate education and administrative personnel. Finally, the department expects \$300,000 in revenues from the sale of used vehicles; \$15,000 from various permit fees, fines, and rental revenue.

Operating transfers in of \$6,726,942 includes \$2,482,000 associated with a booking fee allocation from the state; \$620,000 in SCAAP reimbursement for incarceration of illegal aliens; \$1,063,942 in Homeland Security grant revenues; \$1,800,000 reallocation of BPI funding for the LIMS project; and \$761,000 in Board approved BPI funding for the Records Data Conversion project.

## Contract Training

### DESCRIPTION OF MAJOR SERVICES

Contract Training represents a special law enforcement training function provided to the Sheriff Department and other law enforcement agencies that prepare candidates for law enforcement positions and update skills of those already in the field. Fees for service provide the funding for contract law enforcement training activities. A large contract for driver training with San Bernardino Valley College provides substantial funding for this program.

There is no staffing associated with this budget unit; however, salaries and benefits costs are reimbursed to the Sheriff-Coroner's general fund budget unit for those positions billing for their services at both the Emergency Vehicle Operations Center (EVOC) and the Training Academy.

In accordance with Section 29009 of the State Government Code, the entire unreserved fund balance must be appropriated each year. Accordingly, actual appropriation in this budget unit is less than modified budget. The amount not expended is carried over to the subsequent year's budget.

In addition, actual appropriation for 2007-08 is less than modified budget as a result of lower salary and benefit reimbursement to the general fund.

Actual departmental revenue for 2007-08 is lower than modified budget due to reduced classes offered to outside agencies and lower Peace Officer Standards and Training (POST) reimbursement from the State.

The slight decrease of \$49,635 primarily reflects the reclassification of the travel related expenditures to the new appropriation category and the reduction of special department expenditures.

Travel is a new appropriation unit for 2008-09. The amount budgeted of \$7,500 reflects anticipated travel costs in the areas of private mileage, air travel, hotel, car rental and conference fees for this budget unit. These costs were based on departmental analysis of past travel related expenses previously budgeted in the services and supplies appropriation unit.

Land and improvements of \$110,000 is for the construction of a deceleration lane for the EVOC training track.

Equipment of \$600,000 is for new modular classrooms for the Training Academy and an upgrade to the Range's Target Practice System. Vehicles of \$320,000 represent the replacement of the Academy's motorcycle fleet and unmarked patrol practice units.

Transfers of \$1,296,345 represent anticipated salaries and benefits reimbursement to the Sheriff-Coroner's general fund budget unit for services rendered at both EVOC and the Training Academy. The decrease of \$611,865 is due to the reduction of assigned personnel relative to an anticipated reduction in reimbursement from POST.

Contingencies of \$493,707 are decreased by \$208,212 primarily due to increased one-time allocations for equipment and improvement to structures.

Departmental revenue of \$2,090,000 includes POST reimbursement of \$450,000, interest estimated at \$40,000, and fees totaling \$1,600,000 from various outside agencies. The overall revenue increase of \$134,343 is due to projected increase in enrollment from outside agencies for EVOC classes.

## State Seized Assets

### DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for asset forfeiture proceeds from cases filed and adjudicated under state asset seizure statutes. The California Health Safety Code requires these funds to be maintained and accounted for in a special fund and that 15% of all forfeitures made after January 1994 is set aside for drug education and gang intervention programs. Current appropriations offset a portion of the labor costs for staff assigned to the Inland Regional Narcotics Enforcement Team (IRNET) and High Density Drug Trafficking Area (HIDTA) task forces. The 15% allocated to drug education programs is used to fund the Sheriff's Drug Use is Life Abuse (DUILA) program, Crime-Free Multi-Housing, Law Enforcement Internship and Operation Clean Sweep Programs. Funds are also used for maintenance of seized properties.

There is no staffing associated with this budget unit; however, salaries and benefits costs are reimbursed to the Sheriff-Coroner's general fund budget unit for those positions assigned to the drug education program.

Transfers of \$2,915,528 will reimburse the Sheriff-Coroner's general fund budget unit for salaries and benefits of personnel and will reimburse Real Estate Services Department for the rent of the CAL-ID offices. The decrease of \$454,613 is primarily related to a reduction in worker's compensation rates for all classes of employees and a reduction in retirement rates for general employees.

Departmental revenue of \$3,580,736 is from the CAL-ID Program trust fund. The \$675,262 decrease is consistent with the anticipated reduction of benefit costs for 2008-09. Departmental revenue directly offsets all claimable costs in the this budget unit.
